TO: Policy Review and Oversight Committee

FROM: Socorro Pantaleon, Public Outreach & Government Affairs Manager

SUBJECT: 2026 Legislative Principles

STRATEGIC GOAL:

Strategic Goal 3 - Develop and Grow Effective Communication and Advocacy Practices, 3F - Increase Efficacy of Advocacy Efforts at the Local, State, and National Level.

MEETING HISTORY:

12/22/2025: External Affairs

BACKGROUND:

West Valley Water District's Legislative Principles served as the foundation for the District's state and federal advocacy efforts throughout the 2024–2025 legislative year. These principles guided engagement with policymakers and stakeholders in Sacramento and Washington, D.C., ensuring that advocacy activities consistently supported the District's mission to provide safe, high-quality, and reliable water service at a reasonable cost to ratepayers.

The Legislative Principles provided staff with clear direction when evaluating and responding to legislative and regulatory proposals with potential impacts on the District. By establishing a defined framework, the District was able to communicate priorities clearly and maintain a coordinated, unified approach to advocacy efforts.

DISCUSSION:

Throughout the legislative year, the Legislative Principles proved instrumental in supporting a successful and proactive advocacy program. They enabled staff, in coordination with the District's state and federal lobbyists, to respond in a timely and effective manner to legislative alerts and policy developments from organizations such as ACWA, CSDA, CMUA and other industry partners.

These guiding principles directly contributed to the District's successful advocacy program in 2025, which was recognized with the **ACWA Region 9 Award** and the **ACWA Outreach Award**. The principles helped ensure that advocacy positions were consistent, strategic, and aligned with industry best practices and legislative advocacy norms, reinforcing a strong and credible "one-voice" approach.

Staff has worked collaboratively with internal departments to review the Legislative Principles, ensuring they reflect operational needs, best practices, and the District's broader goals. Some updates are proposed as shown on the attachment.

FISCAL IMPACT:

None.

REQUESTED ACTION:

Forward the updated Legislative Principles to the Policy Committee for consideration and recommendation, and subsequently to the Board of Directors for adoption.

12/11/2025 Policy Review and Oversight Committee

BACKGROUND:

The Board of Directors Policies and Procedures Manual (manual) is the guiding document that outlines the policies and procedures to be followed by the Board of Directors as they conduct District business. It provides Board Members certain rights and privileges, ensures transparency to the public of matters coming before the Board, and guides Board members as they make decisions in the best interest of the District.

The manual was last updated on September 5, 2024. Since then, Board members and staff have found that there are a few sections and topics that require more discussion, detail, and clarification.

DISCUSSION:

The Board of Directors held a Special Board Meeting Workshop on October 27, 2025 to review the manual and provided direction to staff on what updates they would like to be made. A few of those sections and topics discussed are outlined below.

- Executive Committee
- Board members right to call for a Special Meeting
- Educational Trainings for Board members
- Travel expense approval / transparency for the Board

Based on Board direction at the Workshop, and subsequent meetings with Committee and Board Members, staff has continued to review the manual and develop alternatives for Board discussion and further direction. This is currently a work in progress and we will bring what we have to committee for review and discussion.

FISCAL IMPACT:

None.

REQUESTED ACTION:

Staff recommends that the Committee review and provide comments on staff's development of various alternatives for potential modifications to the Board Policies and Procedures Manual.

- b. The Presiding Officer may elect to defer action on an item brought forward by the public until such time as staff can prepare an appropriate response.
- c. The Presiding Officer is responsible for maintaining an orderly progression of the business before the Board, and to the extent possible regulates the

amount and type of input from the public and from members of the Board and staff.

- d. Generally, Board members will not respond to public comments except for the Presiding Officer referring matters to the General Manager for follow-up. Board members may, through the Presiding Officer, ask clarifying questions to ensure that staff provides an appropriate response. Occasionally, a prompt response may be offered by the Presiding Officer or the General Manager when an obvious answer or resolution is available. The Board will not enter into a debate or make decisions in response to public comments that are not on the agenda for consideration.

7. CONFLICT OF INTEREST

7.1 Conflict of Interest

In order to assure their independence and impartiality on behalf of the public good, state law prohibits Board members from using their official positions to influence government decisions in which they have a financial interest or where they have an organizational responsibility or a personal relationship that would present a conflict of interest under applicable State law. In accordance with applicable State laws, the following provisions shall apply to all Board member actions:

- a. A Board member will not have a financial interest in a contract with the District or be a purchaser at a sale by the District or a vendor at a purchase made by the District, unless the Board member's participation was authorized under Government Code sections 1091 or 1091.5, or other provisions of law.

A Board member will not participate in the discussion, deliberation or vote on a matter before the Board of Directors, or in any way attempt to use his or her official position to influence a decision of the Board, if he or she has a prohibited interest with respect to the matter, as defined in the Political Reform Act, Government Code sections 81000, and following, relating to conflicts of interest. Generally, a Board member has a financial interest in a matter if it is reasonably foreseeable that the Board decision would have a material financial effect (as defined by the Fair Political Practices Commission's ("FPPC") regulations) that is distinguishable from the effect on the public generally. Any potential conflict of interest question should be immediately addressed with the District's legal Counsel.

If a Board member believes that he or she may be disqualified from participation in the discussion, deliberations or vote on a particular matter due to a conflict of interest, the following procedure will be followed:

- (i) If the Board member becomes aware of the potential conflict of interest before the Board meeting at which the matter will be discussed or acted on, the Board member will notify the District's

General Manager and the District's legal counsel of the potential conflict of interest, so that a determination can be made whether it is a disqualifying conflict of interest.

- (ii) If it is not possible for the Board member to discuss the potential conflict with the General Manager and the District's legal counsel before the meeting, or if the Board member does not become aware of the potential conflict until during the meeting, the Board member will immediately disclose the potential conflict during the Board meeting, so that there can be a determination whether it is a disqualifying conflict of interest.
- (iii) Upon a determination that there is a disqualifying conflict of interest, the Board member: (1) will not participate in the discussion, deliberation or vote on the matter for which a conflict of interest exists, which will be so noted in the Board minutes; and (2) leave the room until after the discussion, vote and any other disposition of the matter is concluded, unless the matter has been placed on the portion of the agenda reserved for uncontested matters (i.e., the consent calendar), in which case the Board member will identify the nature of the conflict and not vote on the specified item on the consent calendar. If the item is agendized for discussion and possible action, the Board member may speak on his or her personal interests in the matter during the time that the public speaks on the issue but must leave the room during Board discussion and action on that item.

b. A Board member will not recommend the employment of a relative by the District. A Board member will not recommend the employment of a relative to any person known by the Board member to be bidding for or negotiating a contract with the District.

7.2 Disclosure of Economic Interest

- a. Directors who have a financial interest in a decision within the meaning of California Government Code § 87100 et seq. shall publicly identify in detail the economic interest that creates the conflict, recuse themselves from discussing and voting on the matter and leave the room until after the discussion, vote, and any other disposition of the matter is concluded.
- b. Identification shall occur following the announcement of the agenda item to be discussed or voted upon, but prior to commencement of either the discussion or vote.
- c. If the agenda item is to take place during a closed session, identification of the economic interest shall be made during the public meeting prior to the closed session but is limited to a declaration that the Director has a conflict

of interest. The economic interest that is the basis for the conflict need not be disclosed.

- d. Directors are not required to leave the room for an agenda item on the consent calendar provided that the Director recuses him/herself and publicly discloses the economic interest as described above.
- e. Notwithstanding this section, when the conflict is a personal interest as defined by applicable Fair Political Practices Commission regulations, a director may speak as a member of the general public during the time that the general public speaks on the issue, provided the Director has complied with the provision of this section regarding identification of the conflict, recuses his/herself from voting on the matter and, leaves the Board conference table to speak from the same area as the members of the general public. Directors disqualified pursuant to this section shall not be counted toward achieving a quorum while the item is being discussed.

7.3 Soliciting Political Contributions

Board members are prohibited from soliciting political funds or contributions at District facilities or from District employees. A Board member will not accept, solicit or direct a political contribution from:

- a. Vendors or consultants who have a material financial interest in a contract or other matter while that contract or other matter is pending before the District.

A Director will not use the District's seal, trademark, stationery or other indicia of the District's identity, or facsimile thereof, in any solicitation for political contributions contrary to State or Federal law. (California Government Code Sections 3204 and 3205).

8. BOARD MEETING ACTIONS AND DECISIONS

8.1 A Quorum

Action can only be taken by the three-vote majority of the five-member Board of Directors representing a quorum for the conduct of business. Until a quorum is present, there can be no meeting of the Board of Directors. The presence of a minimum of three Board members is required to constitute a quorum of the five-member Board of Directors. No ordinance, resolution or motion shall be passed by the Board of Directors without a majority vote of the Board. County Water District Boards cannot pass anything without at least 3 votes in favor. So, if the quorum is three people, then all have to agree to pass anything. "No ordinance, resolution, or motion shall be passes or become without the affirmative votes of at least a majority of the members of the board" Cal. Water Code §30525. A member abstaining in a vote is considered as absent for that vote. A member abstaining due to a conflict of interest does not count towards a quorum.

- Example. If three of five Directors are present at a meeting, a quorum exists and business can be conducted unless the abstention is due to a conflict of interest. However, if one Director abstains on a particular action and the other two cast “aye” votes, no action is taken because a “majority of the Board” did not vote in favor of the action.
- Example. If an action is proposed requiring a two-thirds vote and two Directors abstain, the proposed action cannot be approved because four of the five Directors would have to vote in favor of the action.
- Example. If a vacancy exists on the Board and a vote is taken to appoint an individual to fill said vacancy, three Directors must vote in favor of the appointment for it to be approved. If two of the four Directors present abstain, the appointment is not approved.

8.2 Board Direction

The Board may give directions that are not formal action. Such directions do not require formal procedural process. Such directions include the Board’s directives and instructions to the General Manager.

- a. The President shall determine, by consensus, a Board directive and shall state it for clarification. Should any two Directors challenge the statement of the President, a voice vote may be requested.
- b. A formal motion may be made to place a disputed directive on a future agenda for Board consideration, or to take some other action (such as refer the matter to the General Manager for review and recommendation, etc.).
- c. Informal action by the Board is still Board action and shall only occur regarding matters that appear on the agenda for the Board meeting during which said informal action is taken.
- d. Nothing in this policy prevents the Board from providing direction to the General Manager in response to public comments or under Board member or General Manager comments, as allowed under the Brown Act. No vote or action shall be taken.

No published agenda or public meeting.
- 9.7 Outside Meetings.** Members of the Board of Directors (singularly, “Director” and collectively, “Directors”) may attend outside meetings to educate and inform such Directors regarding issues affecting the District and the water industry and to make others aware of the activities concerning the District.
