

Fiscal Year 2015-2016 Adopted Operating and Capital Budget

West Valley Water District

Vice President Earl Tillman, President Betty Gosney, Director Clifford Young Director Alan Dyer, Director Linda Gonzalez

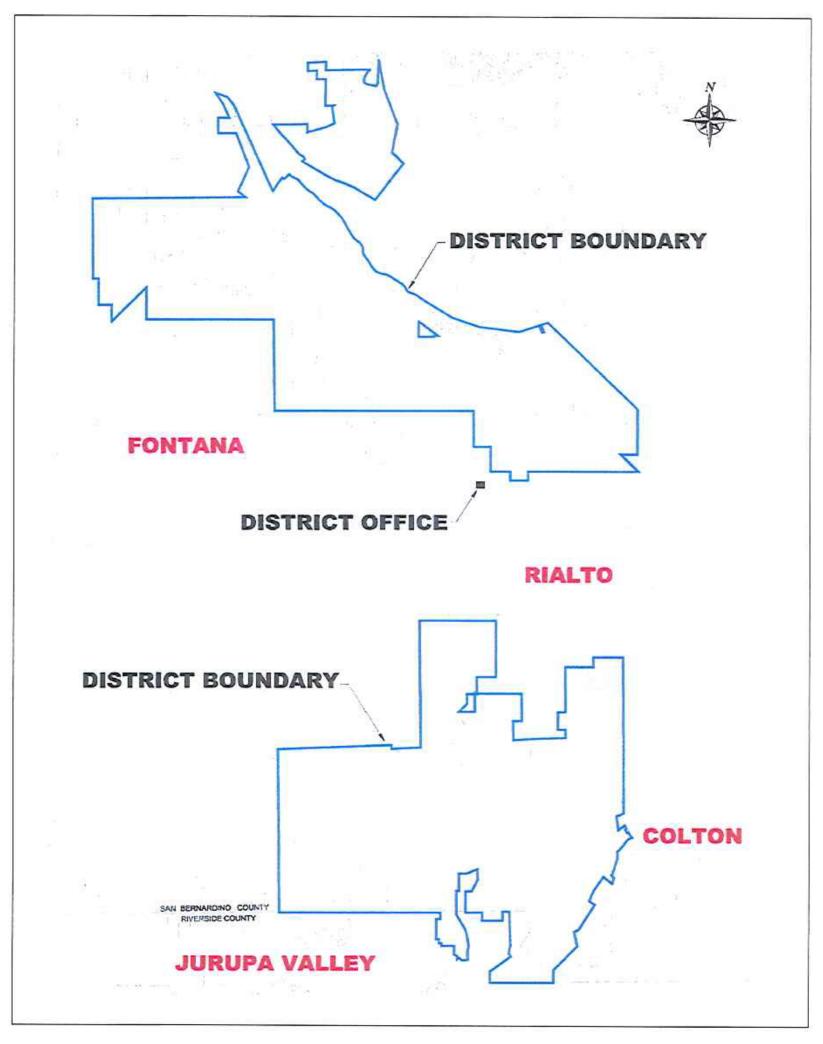

Our History

Over 50 years ago, on February 28, 1962, our forbearer, West San Bernardino County Water District, became the owner and operator of three local mutual water companies. This friendly acquisition saved the communities' water rights and assets from condemnation. It was in this acquisition that the District became the owner of water rights dating back to 1897!

During those early years, the District supplied more water for agricultural purposes than for domestic use. During the 1970's and 1980's the District grew and homes, businesses and schools soon surpassed agricultural water use. There were other mergers where smaller water companies became a part of the water district. By the end of the 1980's, the District water facilities included 180 miles of pipeline, 12 reservoirs and 15 water wells. It was during this time that the District built its office and maintenance yard on Baseline Road in Rialto, where we are still located today.

In 1992, the District was a partner in building five miles of new pipeline to bring much needed water from the Bunker Hill Basin in San Bernardino to our area. Continuing the trend of working with our neighbors, in 1993 the District partnered with the City of Rialto to build a treatment facility for the water flowing from Lytle Creek. The Oliver P. Roemer Water Filtration Facility has been expanded twice and also accepts and treats State Project Water, which increases the amount of water available for our customers.

In 2003, the District changed its name to West Valley Water District. We now have six treatment facilities, 360 miles of pipeline, 25 reservoirs, 18 wells, 20,000 service connections, and we serve drinking water to 66,000 residents in four cities and two counties. Our most ambitious project currently is to finish construction of a state-of-the-art treatment plant that uses green technology to remove perchlorate from the water at a fraction of the cost of other methods.

RESOLUTION NO. 2015-5

RESOLUTION OF THE WEST VALLEY WATER DISTRICT BOARD OF DIRECTORS ADOPTING THE ANNUAL OPERATING AND CAPITAL IMPROVEMENT BUDGET FOR 2015-2016

WHEREAS, West Valley Water District is a public agency of the State of California, established under Division 12 of the Water Code of the State of California; and

WHEREAS, it has been the practice of West Valley Water District to adopt a budget for each fiscal year to serve as the annual financial plan; and

WHEREAS, it is the task of the General Manager to submit a budget for adoption by the Board of Directors;

NOW, THEREFORE, THE BOARD OF DIRECTORS OF THE WEST VALLEY WATER DISTRICT DOES HEREBY RESOLVE, DETERMINE, AND ORDER AS FOLLOWS:

| Section 1 | The Board of Directors desires to have a budget review process, |
|-----------|--|
| | which provides for Board of Directors participation and includes |
| | executive staff member comments in the development of the |
| | budget. |

- Section 2 The Board of Directors desires to adopt a budget for each fiscal year that provides for adequate maintenance of infrastructure and orderly replacement of equipment.
- Section 3 The Board of Directors desires to adopt a budget where revenues are sufficient to meet expenses.
- Section 4 The Board of Directors hereby authorized the General Manager to present a budget to the Board of Directors for adoption prior to the beginning of each fiscal year.
- Section 5 The Board of Directors authorizes the General Manager, if the revenue of the proposed budget is not sufficient to meet expenses, to propose alternatives to balance the budget, including use of reserves or other methods, with Board approval.
- Section 6 The Board of Directors hereby establishes that additional funds may be considered for use during the fiscal year as needs arise with approval of the Board of Directors.

Board Meeting Date: May 21, 2015

Section 7 The Board of Directors hereby establishes that quarterly financial reports will be prepared by the CFO/Treasurer comparing actual

revenues and expenses to budget amounts.

Section 8 This policy shall be effective immediately upon the date of

adoption.

Section 9 The Board of Directors of the West Valley Water District does

hereby adopt the Operations and Capital Budget for 2015-2016.

ADOPTED, SIGNED, and APPROVED this 21st day of May, 2015, by a roll call vote.

West Valley Water District Department Expense Specifics **Debt Service**

Funding Source: Monthly Service Charges, Non-Recurring, Subsidized, and Property Tax Revenues

Descriptions:

Debts:

California Statewide Communities Development Authority (CSCDA) Water and Wastewater Revenue Bonds, Series 2006D-2: Refinance the CSCDA 2004 Revenue Bonds and add new financing for the entire 2006-2007 Capital Budget (\$16.2 million). The 2004 Revenue Bonds were issued in 2004 to finance improvements to the system including the expansion and upgrade of the Roemer Treatment Plant and the installation of ultraviolet light technology. Refinancing this debt was appropriate due to better interest rates. Financing the entire 2006-2007 Capital Budget of \$16.2 million provided funds necessary without depleting savings.

<u>Limited Obligation Improvement Bonds: Crestmore Heights, Assessment District 97-1:</u> This assessment district was established to provide financing for construction and improvement of the Crestmore Heights Mutual Water Company.

<u>Contract Payable - Water Participation Rights Base Line Feeder:</u> Water participation rights acquired from the San Bernardino Valley Municipal Water District entitling West Valley to purchase water from the Baseline Feeder system. Monthly fee does not include any purchased water

Cost Allocation:

<u>Consumption-related</u>: 87% of CSCDA Water and Wastewater Revenue Bonds, Series D plus 100% of Limited Obligation Bonds "Crestmore Heights," and 100% Contract Payable "Water Participation Rights - Baseline Feeder" Support Related: 13% of CSCDA Water and Wastewater Revenue Bonds, Series D
