**III. DISCUSSION ITEMS**

**1. Updates to the Safety and Technology Committee.**

Director of Technical Services Stephenson provided several updates on cyber security including hosting an in-person Emergency Response Network of the Inland Empire (ERNIE) Cybersecurity meeting, bringing together regional water and wastewater districts for collaboration.

Updates on the SCADA Master Plan included that IT, Operational Technology (OT) Security Policy, and the Cybersecurity Requirements Specification, (for vendors), have been completed and reviewed. The Controls Gap Assessment and the Incident Response and Recovery Plan have been drafted and are being reviewed. The Theoretical Radio Frequency Study has been completed, but field testing still in progress. The consultant anticipates having a draft of the SCADA Master Plan completed by late March.

Mr. Stephenson reported on the Verkada Expansion and Integration Project that reported that all camera installations have been completed with the exception of Little Alder Reservoir. A camera will be installed at that site upon completion of the reservoir rehab project, which is anticipated for March.
