Please Note:

To determine if your project is within the District's service boundary or sphere of influence, please contact the District office or visit our website.

All Will Serve Letter requests received by the District will require a 15 business day processing period.

The District reserves the right to impose terms and conditions in Will Serve Letters that take into account water availability issues, conservation issues and the District's existing facilities, all of which impact the District's ability to provide service to the subject property. Will Serve Letters are not a guarantee that existing facilities are adequate to serve the proposed project, and additional plan check or field investigations may be needed to determine facility upgrades or installation requirements.
